GENERAL INFORMATION

- Foreword:** This very genuine dispersal sale arises following the tragic passing of Mr Neil Chester. The Chester family have farmed at Low Moor Farm for over 100 years. More recently Neil had turned the focus of the farm toward regenerative agriculture practices with Neil pioneering the use of fish oils and molasses as a form of liquid fertilizer. The front-line arable equipment has been used recently and is well maintained with the chance for purchasers to acquire some sought after arable equipment.
- Location:** Low Moor Farm is situated on Pasture Lane off the B6265 Boroughbridge Road approximately 4 miles to the east of Ripon, two miles west of the A1M and 4 miles north west of Boroughbridge. The farm postcode is HG4 5AR.
- Hybrid Auction:** The sale will start on Friday 10 October 2025 as an online auction concluding with a real time live auction onsite on Wednesday 15 October at 10.30am. The online screen will change to a 'Bid' button on a lot by lot basis and the starting bid will be the highest online bid at the time.
- Registering to bid:** To bid online you will need to register on www.ylc.co.uk and sign up to the auction. You will be required to enter your debit card details for identification purposes and a refundable £200 deposit will be required prior to bidding.
- Buyer's Premium:** This will be charged on all the lots at the rate of 2% plus VAT.
- VAT:** This will be charged at the standard rate on all lots unless stated otherwise.
