## GENERAL INFORMATION

**Forward:**

The sale arises as a result of Mr Simpsons decision to cease potato growing and to use contractors for the farms arable operations. The potato equipment is all modern and is well maintained. The Grimme potato harvester and the CLAAS Lexion combine harvester have both completed the 2025 harvest. Mr Simpson is continuing to store, grade and wash potatoes for 3<sup>rd</sup> party growers and he therefor is retaining the grading line and associated plant.
